The Osvita Foundation

The Osvita Foundation was founded in 1982 to provide a permanent financial base for the Manitoba Parents for Ukrainian Education (MPUE). It was established because it was believed that for the English Ukrainian Bilingual Program to continue as a viable, long term educational alternative, a non-governmental source of funding was needed.

Today the Osvita Foundation continues in its ongoing mission to support the Manitoba Parents for Ukrainian Education so that the Ukrainian culture and language can be preserved and promoted to both current and future generations of children.

Some of the EUBP Activities Osvita & MPUE Supported in 2015-16

- EUBP School-Based Grants to support and enhance Ukrainian Language Programming
- Grade 4 Leo Mol Cultural Fieldtrip & Grade 5 Legislative Fieldtrip
- Grade 6 Language Camp at St. Andrew's College
- Grade 8 4-Day Trip to Vegreville, Alberta and Saskatoon, Saskatchewan
- Graduation and Family Events
- Program Promotional Activities & Website Development
- Provincial 125 Celebration Art Project and Holodomor Education

English Ukrainian Bilingual Program (EUBP) in Manitoba

Since 1979, the English Ukrainian Bilingual Program (EUBP) has provided Manitoba students with the highest quality of education made up of the regular curriculum and one enriched in reading, writing, speaking, and listening to the Ukrainian language.

The EUBP, supported by MPUE, enables our children to gain a valuable understanding and appreciation of community, culture, heritage and the arts. The program encourages the development of well rounded individuals who value each other and welcome and celebrate differences.

Starting in Kindergarten and/or Grade One, students receive as much as 50% of their school day in Ukrainian, including Ukrainian Language Arts, Social Studies, Art, Choir, Health, and Ukrainian Dance. Basic French is also part of the programming. In addition, our students have the opportunity to participate in many cultural fieldtrips and special events provided throughout the year for each school individually and collaboratively. It brings students together from EUBP schools all across Manitoba.

Parents and families are encouraged to be involved in the program to share in the wonderful experience and sense of community this program has to offer. It is important to note, parents who do not speak Ukrainian have found their children enjoy success in the program. Opportunities are available for children and their parents to learn together!

With an enrollment of over 700 students (Kindergarten through to Grade 8) the EUBP is available in Winnipeg, Oakbank, East Selkirk and Dauphin.

For further information on the English Ukrainian Bilingual Program and school locations contact the Manitoba Parents for Ukrainian Education at (204) 942-5405 or by e-mail at mpueinc@mpue.ca or at www.mpue.ca.
