MPUE 2006 Activities - Grade 6 Ukrainian Language Camp

<p>The school year started and finished in a real hurry. Hopefully you had a chance to take part in some of our activities.</p> <p>The Grade 6 Ukrainian Language Camp, May 3, 4, & 5, 2006, took place at St. Andrew's College at the University of Manitoba. Ninety students from Bernie Wolfe, Happy Thought (East Selkirk), R.F. Morrison, Smith-Jackson (Dauphin), Springfield Heights, and Springfield Middle School (Oakbank) participated.</p>	<p>During the camp there were many activities and presentations to take part in. We visited the Zoology department, the Geological menagerie & dinosaur display, and went swimming. We got artistic and printed on our own camp t-shirts with Ukrainian Styrofoam cuts. We learned to play the Trembita, and tried out some new dance steps with Rusalka Ukrainian Dance Ensemble. We learned a lot about being Ukrainian Canadian and saw the</p>	<p>advantages of being multicultural. We were so busy that we barely even had time to sleep. Thank you to all the grade 6 students who attended, we hope you had a great time!</p> <p>A big thank you to all the teachers and chaperones, without them this event would not have been possible. Another big thank you to Genia Bozyk and the staff at St. Andrew's College. See you next year!</p>
